

The Apple Branch

Feminist Dianic Wicca

Priestess Mentoring Program

Overview

Our Feminist Dianic Wicca Mentoring Program is open to all Women who wish to study in the Tradition of Feminist Dianic Wicca as originated by Z Budapest and receive clergy certification as a Priestess in the Tradition after satisfactory completion of the prescribed classes.

Service to the Goddess and to humanity is an important part of our life and character. We believe that there are many paths to enlightenment and to truth...no one path is "better" than another. All have validity. As such women of the Apple Branch serve in a variety of ways. All are trained to assist others in life passages. There are those who specialize in the healing arts. They may be teachers, counselors and artists. There are those who serve as "edge walkers" and who specialize in the awareness of and use of energy. Regardless of the specialty, all work with the natural order of life, in balance and harmony with all.

Magic is viewed as a potential for creation, a potential that exists within all things... living and non-living. We draw upon this energy and the energy within ourselves to bring into manifestation that which is needed for the highest good of all. We give thanks and offerings respectfully as we know that we still have much to learn.

Specialties may include, but are not limited to: Ritual Priestess, Guardian Priestess, Healer Priestess, Temple Priestess, Creative Priestess (writing and the arts), Eco-Spiritual Priestess (environmental), etc.

All women will follow the prescribed course for Feminist Dianic Wicca Priestess Mentoring, as well as chose whatever studies in her specialty. She may have more than one focus area if she chooses.
